# ABOUT DSI

## Mission

We're here to set Christians free from unclean spirits by equipping churches with the knowledge, tools, and hands on experience they need to minister deliverance effectively.

## Vision

We will impact the way churches view spiritual warfare by empowering congregations to build, grow, and maintain their own deliverance ministries as we teach them to discern the activity of unclean spirits and how to drive them out.

## Core Values

Prayerful  
Pragmatic  
Professional  
Compatible  
Gospel Focused

## KEY MILESTONES FROM THIS YEAR

### Clients

We onboarded a local church in Northern VA and assisted them in ministering deliverance to a member of their congregation. Over 40+ new connections were made with individuals / ministries from our website & social media accounts.

### Podcasts

Blake was a guest on Tony Merkel's The Confessionals Podcast. 2 other podcasts have requested him to be their guest as well.

### Admin

We received our "Letter of Determination" from the IRS, classifying DSI as a 501(c)(3) organization. We then registered with Virginia to solicit donations and funding. Lastly, we launched Project Green Smart, our sustainability initiative.

## 2022 SUSTAINABILITY MESSAGE

---

"We are dedicated to improving our business practices to foster a sustainable future and improve our local community."

-Blake Stark, President

## COMMUNITY ENGAGEMENT

---

We celebrate our partnerships with a local, woman owned small business and a local, black owned small business to host a food drive. Together we fed our underprivileged community members alongside our local food bank.
